

Acceptable Use Policy For Students and Parents

Electronic Network Internet Technology Equipment Access

Be Responsible

I will...

- Use electronic devices, the internet, and the network for class assignments
- Use only my own accounts
- Follow copyright laws

Be Respectful

I will...

- Communicate online in a respectful manner
- Be careful to treat the equipment with care
- Respect the work and privacy of others

Be Safe

I will...

- Keep my password and login information private
- Tell an adult if I read something on the internet that makes me feel uncomfortable
- Refrain from sharing my personal information on the internet

I understand that the use of technology is a privilege, not a right and inappropriate use will result in a cancellation of those privileges and may also include disciplinary action.
